#### Tuition Payment Options

We have 3 payment options including monthly, semi-annually and annually.

#### Application Fee

Once an application has been submitted, the \$50 application fee is non-refundable.

#### Registration Fee

The \$50 enrollment fee is paid upon acceptance and is nonrefundable.

*(The registration fee covers enrollment into our system and payment plan. New students are required to pay the registration fee to complete the enrollment process.)*

#### Student Resources Fee (Annually)

The student resources fee covers all educational supplies including textbooks, workbooks, and other instructional materials. Access software licenses, and IT support. All classroom materials such as binders, paper, pens, and art supplies. Laboratory Fees associated with science labs and other specialized instructional areas. Access to library books, novel study books, online databases, other research materials and resources for clubs, and other activities.

*(Fees listed in the Fee Schedule are non-refundable and are required as part of enrollment. Additional fees, based on student activities, may be assessed throughout the school year)*
